 Subject: [OESat] 50 year poem

I am trying again. I had to scan the poem. The first time I sent it as an attachment. I was informed attachments were not accepted. I had to use Omni Scan to transfer the document to text. Then I had to add Carriage Returns back in. The purpose of this tirade is to state, if the document comes thru as complete lines the carriage returns may need to be added again.

Dedication of Love

It was fifty years ago this year
 That a very special person gave
 Of herself without fear
 She joined an order of love
 With unselfishness
 She gave of herself without question
 Loyalty for the order and kindness
 It was a very brisk day in Colorado
 Quite cool and the leaves
 Were already turning
 There was a sense of nervousness
 As well as a sense of yearning
 It was the not knowing of
 What was to come
 That made her a bit nervous
 But still quite calm
 But once the installation was done (*Initiation*)
 Her years of love were over run
 She was always there to lend a hand
 She was always there to make a stand
 She filled her stations with honor and pride
 As she walked through the Chapter
 There was purpose with each stride
 Serving as a Grand Representative
 To Nova Scotia and Prince Edward Island
 It was another way for her to lend a hand
 Now she is slowing down just a bit
 But the candle of love she has
 For the order is still lit
 The hearts you have touched
 I know has truly meant so much

10/6/01

So now, on this, your very Special Day
We all stand to honor what you have given
To our Order as you passed our way
Please have a wonderful celebration
I know with smiles and some tears
For all of those Fifty Years

Congratulations from us ALL!
