

# A-U-2 Review

NOVEMBER

2020

ANNA PETERSON, WGM

THE RHYTHM OF LIFE

BOB HARPER, WGP

HELLO EVERYONE,

Here we are at the beginning of November and Covid-19 is still with us and our sky is filled with smoke from the many fires across our state. Our prayers are with those who have lost everything. Sometimes we take so much for granted until something devastating happens.

This was brought home last week by one of our subcontractors who creates beautiful dried moss creations and is working with us at the Veterans Administration Regional Office in Lakewood. She and her husband live in one of the burn areas and were told to evacuate. They gathered up the things they cherished most, their animals, and as much as they could pack in their vehicles and left their home. Last week they were told that their house was one of the ones that were destroyed in the fire.

Now I would like to share with you the contents of a phone call Ed received from her. The contents of that call and the expression of faith and hope is more inspiring and thought provoking than any sermon, speech or poem that I have ever heard. In that phone conversation, Ed expressed how sorry we were to hear of the loss of her home and belongings and, according to him, her response was so profound that it left him speechless; and believe me that takes a lot.

She started by thanking him for his expression of sympathy for their loss, but said it was not necessary because the fire had given her much more than it had taken. Yes, their house was gone, but they can rebuild and while the scenery had changed, the mountains were still there and life would soon regenerate and she and

(continued on Page 2 – Anna)

DEAR SISTERS AND BROTHERS,

We have reached that time of the year when the season change is obvious, for the past two weeks the weather has been alternating between warm summer days and cool fall days every other day. We even had a few hard freeze warnings for overnight and early morning. Not surprising for those of you living in the higher elevation areas of our beautiful state. When the back and forth temperature change ends then it will be just cold and winter.

There are some beautiful scenes of art work provided by Mother Nature during winter. I remember driving along Old Pueblo Road early one morning, it is lined with large old trees on both sides of the road, their leaves had all fallen and the trees were bare. They were completely coated with ice that made them gleam in the early morning light. Then there are our snow capped mountain peaks, quite the contrast on a sunny day with the clear blue sky.

November is a month that has several important dates in it. The third of November is Election Day and we should all exercise our right to vote. Being able to return a ballot by mail or take it to a drop box or if you choose vote in person there is no reason we cannot vote.

The eleventh of November is Veterans Day, a National Holiday and a day to recognize and remember those who have served in the armed forces as well as those who made the ultimate sacrifice. By defending our freedom and rights; they have allowed us to enjoy the privileges set forth in the Constitution.

(continued on Page 2 – Bob)

her husband would be there to see it, learn from it and watch as nature re-creates itself in new and beautiful ways. Secrets revealed that could not be told until the old forest was burned away.

The fire had also forced her and her husband to reconfirm the importance of their life together. It showed them how important they were to one another and how much stronger they were together than they thought they were, and as they rebuild their home they will also rebuild their appreciation for one another. She said, “Sometimes, what we see in the moment as a tragedy happens, is actually a way of strengthening our spirit of hope and encouraging our faith in the wisdom of the natural world.” Most of all it gave them a new appreciation for the humanity we share; strangers reaching out to help, to comfort and to share hope.

She also said in that time of crises, for the first time in a long time, the fire forced her to look into the eyes, listen to the voices and connect in a very special way with strangers she had never meet before. She heard the urgency and fear in the voice of the deputy as he told them that they must leave their home to save their lives. It wasn't a fear for himself that she heard but the fear that he wouldn't be able to get the word out to those in danger. She remembered smelling the smoke on the clothes of the firefighter and felt the exhaustion in his spirit as he told them, “we couldn't save your house”. She remembered the hope and compassion in the eyes of the Red Cross volunteer as she took their information and helped them find a place to stay and assured them that everything was going to be alright. As the conversation came to an end she said not to feel sorry for them.

Now I know why Ed wanted to share this call with me and now I have shared the message with all of you and I hope you find this as inspirational and thought provoking as I did. No matter what life throws at us, how we react is up to each individual. We have the power to turn a tragedy into something inspiring. We have the strength to never give up and in so doing, give hope to others as they face their own challenges. It has been said that perception is reality. How we perceive our lives and the challenges we face is totally in our control. We have the power to change the negative to positive and find our own happiness.

When we think of the month of November the

(cont. on page 3 – Anna)

This year, the twenty sixth of November is Thanksgiving Day. This National Holiday is normally celebrated on the fourth Thursday of November. It is a positive and secular holiday where we celebrate gratitude and a celebration of the fall harvest. It began with the Pilgrims in 1621. The traditional meal is a Turkey dinner with all sorts of side dishes. The turkey dates back to the first thanksgiving, which is what the Pilgrims hunted. Pumpkin pie is a symbol of harvest time and is usually eaten at Thanksgiving and during the fall and early winter, when pumpkin is in season.

Normally, this is a meal shared with family or close friends, but like so many events this year, that had to be changed or altered. Because of the pandemic, it will be dependent on the rules of local health and government officials. Nothing says you can't enjoy your meal and visit with your family and friends by phone or Zoom. I would encourage you to do whatever is needed, if you can't or choose not to be together in person. We need to do what we can to celebrate, communicate and keep the highlight events of our lives that we are used to, ongoing.

I wish you all a safe, healthy and happy holiday. Happy Thanksgiving!!!

*Bob Harper*, Worthy Grand Patron

first thing we think of is Thanksgiving and we take time to reflect on the many blessings that God has given us. November also has another day of reflection. On November 11<sup>th</sup> we celebrate Veterans Day. This year the National Veterans Committee has created a poster to honor the service of our military personnel and their families. I have asked CherylAnn to include it on the last page of the newsletter. If you can, I would ask that you print it and display it in your window as a statement of support for the men and women who have served and are now serving in our armed forces.

And above all else, this November gives us the opportunity to choose the leaders of our country and our future. There is no greater honor that we could pay to the countless men and woman who have made the ultimate sacrifice to preserve our freedom, then to exercise that freedom to vote. It is a privilege that far too many in this world do not have.

This Thanksgiving, as I sit down at our table, surrounded by family and give thanks for our many blessings, I'll also give thanks for all those who help us see through the flames and smoke and show us that under the ashes lie the seeds of a new beginning. Just as every sunrise heralds a new day, what we make of it and how we perceive it and what we do with the opportunity, will be up to us and the 'Rhythm of Life' goes on.

Star Love

*Anna Peterson, Worthy Grand Matron*

## Our Chapter Reporters

**COLORADO #2 – LEADVILLE**

*Robert Trezise, PP- Reporter*

At the September meeting, presentations were made to the Worthy Matron, Marilyn Wadsworth and Worthy Patron, George McCollum. Sister Marilyn received a gavel, which was engraved with her years as Worthy Matron. Brother George was presented with his Past Patron's pin for his years of service.

At the first October meeting, information on the wreath sales was shared and many orders were turned in. Sister Betty Roeder, Secretary will handle the money and Sister Marilyn Wadsworth will organize the orders and get them sent in. Wreaths and garland will arrive the week of Thanksgiving for local distribution.

Brother Bob Trezise recently attended and participated in the Western Slope Regional Official Visit of the Colorado Grand Chapter of Royal Arch Masons. His appointment to this body is that of Grand Musician.

The Chapter has be informed that our Official Visit will be May 7, 2021. Our meeting attendance has been good, with usually 13 - 15 present.

**GARDEN CITY #3 – GREELEY**

*CherylAnn, WM - Reporter Protem*

With Christmas right around the corner, please check out our online FundRaiser for your holiday gifts: **Charlestonwrap.com** This website offers a wide variety of gift ideas - plus they have a huge selection of gift wrap for that special present. Please use our Chapter ID # 19558, so we get credit for your purchase. Thank you for your help.

At our meeting on October 27, we got into the Halloween spirit by wearing Star appropriate costumes. We had a hippy from the 60s, a Wisconsin cheese head (go Packers), a crazy brunette, a choir member, a couple of hunters dressed in orange and several others. Was so nice to "let our hair down" and have some fun.

There was really no business to speak of except our upcoming Annual Harvest Dinner FundRaiser scheduled for November 7<sup>th</sup>. With disappointed hearts, we decided to conduct a "Virtual" Dinner. Please see our flyer on Page 13 for more information. Thank you.

Our Sister Genie Meyer, has finally been released from rehab and is home. She is experiencing leg pain and has doctor appointments scheduled. Brother Larry Moody has experienced some heart issues and has a stress test scheduled for early November. Of course, many are having issues with the smoke. Allergies are really kickin' in. We have been saddened by the loss of our Sister Faye Nygren. Other than that, our fold seems to be doing pretty well.

As Thanksgiving is a few short weeks away, our Chapter would like to wish you all a Happy Thanksgiving and leave you with this prayer:

*We are thankful for our God above  
And for His precious gifts of warmth of love.  
May He bless each of your homes  
And your family and friends, too.  
Keep them safe and healthy  
Protect them from Covid and the flu.  
And we thank Him for the blessings you receive  
Today, tomorrow and the whole year through.*

**SUNSHINE #53 – GRAND JUNCTION**

*Nancy Eriksen, PM - Reporter*

Sunshine #53 was happy to welcome a new/old member in Sheila Teves, daughter of Joan Christopher, who demitted from Palisade #90. It's so nice to see mother and daughter at our meetings!

Our sympathy to Carol Cloud and her family in the loss of Carol's sister in Arizona.

Our sister Valerie Grundvig is home and healing and we are missing her and Willis! Hopefully they will return soon.

The Chapter is again selling wreaths. If you're in the Mesa County, Delta County or Montrose County area, give one of our members a call and we will set you up!

At our October 20 meeting, Tommie Clark and Nancy Eriksen had refreshments and Halloween was in the air! Cider, monster eyes, witches' brooms and a reading during Good of the Order of "Little Orphant Annie".

Here's hoping you all are enjoying Fall. It is my favorite time of the year and can't last too long. Lee Maynard wrote: *"I loved autumn, the season of the year that God seemed to have put there just for the beauty of it."*

**SILVER STAR #40 - MONTROSE**

*Suzanne Teague, PM - Reporter*

We have actually been able to hold two in-person meetings. Not everyone could attend but a quorum was established and chairs filled appropriately. We even had music although we didn't sing. Still very nice of Mary Ellen Harris to be with us and at least play the Happy Birthday song!

WM Cindy Wardlaw, PGM and WP Len Wardlaw kept us on track. We read a petition at our October 1<sup>st</sup> meeting and balloted on it on the 15<sup>th</sup>. Initiation is planned for November 19<sup>th</sup>, providing COVID issues do not interfere.

Lin Mussman's husband Jerry is now at home with Hospice. He is much more comfortable and rests better. Lin is lucky to have a granddaughter who is RN and the family is helping with care.

Bonnie Lou Lamb's husband, Tom, was moved to Valley Manor Nursing Facility. It is possible that he may come home with Hospice, but it will take more help additionally than the family is able to presently provide. He continues to amaze us all and his sense of humor is a welcome relief! Bonnie is busy selling pies and helping her sons make needed repairs and adjustments to the home. We giggle when the boys don't have 5 bars of internet or instant Wi-Fi. We are used to it! They are, however, amazed at the care and concern from rural Colorado friends and neighbors. Apparently this is not the norm in Columbus, OH!

Jack and Nadine Ward's son Jackson is at peace. He passed away October 8<sup>th</sup> and services were on Saturday, October 17<sup>th</sup>. He was 65 years young! Please keep them in your prayers.

Carlene Dougan fell at home (again), this time breaking 4 ribs and necessitating a few days stay in the hospital. She came home and promptly fell again, this time blacking her eye and giving her quite a bump on her head. She insists she is ok, but we are all quite concerned. Her son Gary lives with her, but he is not always at home.

Mary Melton's daughter, Amber, has been diagnosed with an aneurysm on her brain. She is not totally informed as to what this means but we are keeping them in our prayers. Consultations with doctors in Grand Junction the third of November and follow-up in Denver on the 5th will give us a better understanding and plans for the future.

Shelley and Keith Hoey, AGP have just returned from a road trip to Branson, MO. They were also able to attend a Rodeo where grandson, Nate, participated in the bull riding. He is attending Frank Phillips College in Borger, TX. They are enjoying retirement, working in their yard and keep busy with family and friends.

Our wise Worthy Matron, Cindy is reminding all of us to be informed and vote for the good of our beautiful country and appreciate the freedoms we enjoy. Above all, we pray for peace and good health for all.

**EXCELSIOR #66 - LAFAYETTE**  
*Carol Danford, PM - Reporter*

On Sunday, October 18, 2020, Excelsior #66, held a Memorial Service for our Beloved Sister Robin McCauley at 2 P.M. at Ames Park in Mead, Colorado. Many Thanks to Pam Jones for securing the venue and providing the memorial cards.

It was a cold, blustery day but about forty-five people were in attendance. The ceremony was presented by Nancy Koenig, WM of Excelsior #66, Arthur Light, WP of Excelsior #66, Sue Dozier, PM of Columbine #11, and the funeral team of Excelsior #66. A lovely picture of Robin, and the Chapter Star were on display. Several bouquets of flowers completed the table. Sister Cynthia Gray sang "I Believe" and "In The Garden".

Many memories of Robin were spoken about by various people. Rita Bucholtz, PGM, Robin Terry, PGM, and Maryann Gold-Weidler, PGM, all spoke about when Robin was a member of each of their Grand Families.

WM Nancy presented flowers to Lois Thompson, Carol Danford and Sue Dozier for their services they rendered to Robin in the least year of her life.

Balloons were given to members of Excelsior and we all gathered to release them. Upon release, the Sun peaked out and we all knew that Robin was with us. Rest In Peace, Dear Robin.

Our November meeting will possibly be a Zoom one. Plans have not been finalized. An email will be sent at a later date.

**MT. ZION #133 - GOLDEN**  
*Roberta Park, PM - Reporter*

Mt. Zion honored Willa Childerson, along with all our sisters and brothers who have passed away

during the previous term with a funeral service to celebrate their lives.

We had our installation for our next term to install Margaret Mortenson as Marshal. Her predecessor, Joyce Hollandsworth moved to Chicago to live with her daughter. All other officers remained the same.

During our meeting on October 14<sup>th</sup>, we celebrated Mt Zion's 86<sup>th</sup> year of fellowship, fun and philanthropic works, and enjoyed cake and ice cream for the occasion.

**LOYALTY #145 - WESTMINSTER**

*Marlene Doyle, PM - Reporter*

Hello from Loyalty #145,  
Dear Sisters and Brothers,

Loyalty is doing fine. We had a meeting on Oct. 8th with 3 sideliners and 15 officers. There were annual reports given, and amendments to our by-laws presented. The memorial for PGP Les Sailor was read and we honored 24 of our members by draping the Charter. Several of our members have been busy with what keeps us going in these crazy times.

Sister Mary Ann Knowski has made 50 fleece blankets for the First Responders. Her husband is doing very well after the chemo treatments this summer. As we visited tonight, she told me the fire is 12 miles from their place up at Grand Lake and they are praying not to lose it, it has been their happy place for several summers.

Sister Carolyn DeVault had a cellulitis infection in her right leg since May 22, after 4 months the leg has been saved and she rang the Victory Bell at the Wound Center where they cared for her at least every other day during the 4 months.

Brother Chuck Anderson and his son have been working on the 5th wheel preparing to depart for FL the middle of Jan. They are planning on being there for a month with his niece and family, in the sunshine.

Our Sister Kari Hilverding has retired, after 30 years working for the State of Colorado, she is enjoying watching her grandchildren and time at home.

Sister Flo Christian has moved and is so excited with her new place, her new address is 905 Maplehill Drive #201 Albert Lea, MN 56007. Her entire family rallied around her and made the move happen over 1 weekend, from TX to MN and she now is taking her time unpacking with the help of her daughter and 2 grandkids.

Brother Terry Hudson had heart ablation and so glad to announce he's feeling good.

Sister Nancy Cayer has been kidnapped by her husband to an extensive camping trip in their beautiful motor home. She visited her mom in AZ, but like all of us that have loved ones in assisted care facilities wasn't able to hug her, but she did see her. Now they are onto California.

Our Chapter is gearing up by making cookies, rolls and pies for our bake sale. Please look at the flyer, (page 12) decide what you'll need for Thanksgiving and Christmas and order soon.

Loyalty won't have any more meetings until after the first of the year as far as we know.

God Bless all of you and be safe. Star Hugs.

**SNOWFLAKE #153 - WOODLAND PARK**

*Mary Kae Jarvis, PM - Reporter*

Snowflake Chapter is still not able to resume our "in-person" meetings due to the government restrictions still in place for COVID-19 in Teller County. Since the MWGM did put out Guidelines for "Video Conferencing" meetings we were able to do this for our October meeting. It was great having more Chapter members participate even though it's not the same as being "in-person". We sure are looking forward to being able to resume regular "in-person" meetings, hopefully by the first of the year.

Snowflake Chapter is once again doing their Santa Letter Fundraiser. This is a really fun project and these letters can be sent to anyone, your grandchildren, nieces, nephews, neighbor children. Adults even have fun receiving them - why not send them to your Grand Representative or Grand Officer counterparts, Secret Pals, etc. The sky's the limit on sending these to anyone. A flyer is included at the end of the 4-U-@ Review. (Page 10)

We do still have a few of our OES masks available. If you are interested please contact MaryKae Jarvis @ [mkjlovesoes@gmail.com](mailto:mkjlovesoes@gmail.com) or (719) 596-5963.

We extend Thanksgiving greetings to each and every one of our sisters and brothers and hope that you are able to safely spend the holiday with some family around.

**HERITAGE #154 – DENVER**  
*Karen Wilson, PM - Reporter*

In the words of the 70's and Bachman Turner Overdrive Heritage Chapter has been taking care of business since we returned from our Covid hiatus.

We are looking forward to having initiation on October 28<sup>th</sup> and welcoming Kendall Taylor Wright into our order.

With just over 60 days until Christmas we know you will want to be the proud owner of one or more of our adorable Christmas ornaments. For the mere price of \$10 you can have a reindeer ornament in memory or in honor of someone special in your life. Proceeds from the ornament sale will go towards this year's Grand Family projects. (Page 11)

**METRO #157 – DENVER**  
*Cathe Markell, WM - Reporter*

*"When life is getting you down, don't sit and mope.  
Take action and always have hope.  
**Hope is to believe."***

We hope everyone had a good summer, despite COVID 19 changing all of our lives. Metro Chapter had 3 FUN activities this past summer to stay in touch and share our stories and friendship before returning to business on September 11, 2020.

June 26<sup>th</sup>, 2020 found the members of Metro at a social distancing "Bingo & Snacks" party. In July we enjoyed a social distancing "Pizza & Movie" night. The movie was "Family Man" and the Pizza was very good! August 2, 2020 was our annual "Metro Picnic" held at the home of the Worthy Matron & Worthy Patron. Hot dogs, hamburgers & salads were enjoyed by all.

Our final meeting for the 2019-2020 year was held on September 11, 2020. All members wore their favorite slippers in hope of obtaining the covenanted prize (a small body massager). Sister Gladine Dracon won first prize and Sister Carol Peck was a close second.

September 25, 2020 was our first meeting for the new 2020-2021 year. Business as usual (social distancing in place), but under Good of the Order everyone enjoyed a rousing game of bean bag toss.

October 9, 2020 was our first meeting for October, and of course we all enjoyed a game of "what's in the shoebox" after attending to all of the business of the chapter.

October 23, 2020 will, of course, be our Halloween meeting. We expect to have a "ghoulish" good time, and hope to welcome back a long lost member.

Our Meeting room and dining room have plenty of room to spread out and still enjoy all the FUN and Friendship. Please join us whenever you have the time.

We hope everyone is staying safe, positive and healthy.

"Hope is the Star that illuminates the dark,

Lifts your spirits and nurtures love."

**80 YEAR MEMBERSHIP PIN AWARDED**

*Submitted by Lynda Wingate, PGM*

On July 10, 2019, then Worthy Grand Matron, Lynda Wingate; Past Grand Matron and Secretary of Centennial Chapter #58, Trude Davis; Past Grand Patron and Worthy Patron of Centennial Chapter #58, Leonard Beasley and Kerry Ferguson, Worthy Matron of Centennial Chapter #58, traveled to the home of Rosemary Landon in Colorado Springs to present her with her 80-year membership pin, from the Grand Chapter, Order of the Eastern Star, of Colorado.

It was erroneously reported in the Fall 2020 issue of the "Eastern Star Masonic Retirement Community Spotlight" that the first member in Colorado to receive such an award was Lillian Rogers, who is a member of Eastern Star in New York and who now resides at the ESMRC assisted living facility in Denver.

Rosemary, however, is the first member in Colorado to receive an 80-year membership pin and at the time of the presentation was 101 years young, still lived at home with her daughter and was very sharp witted.

It was such a pleasure for the four (4) of us to present this historic award to such a lovely lady and reminisce with her some of the events over the past 80 years. Pictured below, front row: Kerry Ferguson, Rosemary Landon, Back row: Leonard Beasley, Lynda Wingate and Trude Davis.

**AREME #124  
FUNDRAISER**

Sisters and Brothers,

This unique year during our country's, and the world's, history has seemed both long and short at the same time. On the one hand, the days of living with COVID-19 have made the year seem very long; on the other hand, when we consider that the holiday season is almost among us, it seems very short.

With the holidays fast approaching, this year Areme Chapter #124 is again holding our annual holiday wreath fundraiser. In partnership with Mickmann Brothers, Areme is selling wreaths, sprays, centerpieces, and tabletop trees through the Gift It Forward program. I've attached a flyer advertising the program and providing the web site, which is **GiftItForward.com**, and Areme's fundraising code, which is **AREMECCO001**. If you visit the website and enter Areme's fundraising code, Areme will receive credit for each item you purchase.

Mickmann Brother has advised that they usually accept online orders through mid-December, based on continued availability of products, but they recommend placing orders by the end of November to ensure both availability and timely delivery.

Members of Areme are also selling a more limited inventory, including wreaths, a centerpiece, and tabletop trees. If you would like to purchase directly from a member of Areme rather than going through the web site, please feel free to contact me or any other member of Areme to do so. The deadline for orders (and accompanying payment, check or cash) to members of Areme must be made and **paid for by November 6th**.

These products help bring the holidays to your home and also make great gifts for friends and family which you can have shipped directly to them. Please note the money raised from this fundraiser will be used for Areme's operating expenses.

**Online GiftItForward.com Fundraiser**

**HELP OUR ORGANIZATION!**  
Complete your holiday shopping AND help us fund our projects!

**\$8.00/per item WILL GO TO OUR ORGANIZATION**  
for every evergreen gift purchased using the FUNDRAISING CODE below.

Our Organization: Areme Chapter # 124, Order of the Eastern Star

Raising Money For: Areme Chapter #124, Order of the Eastern Star

**3 EASY STEPS!**

**1 YOU CAN SHOP**  
Choose gifts on **GiftItForward.com**  
Easy shipping to multiple gift recipients  
Something for everyone on your list  
• Friends • Family  
• Business Associates

**2 OTHERS CAN SHOP**  
Spread the word about your fundraiser and share the **FUNDRAISING CODE!**  
Direct supporters to **GiftItForward.com**  
• Email • Facebook • Bring info to work

**3 GIFTS SHIPPED DIRECT**  
Gifts are shipped directly to the gift recipient from the manufacturer via **FedEx**.

Products are shipped on a first come, first served basis. Products ordered directly from a member of Areme are scheduled to be delivered on or shortly before December 11th.

Thank you for your support and please feel free to contact me if you have any questions.

Skye Brunick, AM #124 303-948-1676  
skyeelise@msn.com

**MUSEUM & LIBRARY COMMITTEE**

*Marlene Doyle, PM, Chairman*

The Museum and Library has a new look in a new spot. Way back in March, Pati Sawyer Boex, Fraternal Relations Director at the RRESMRC, had an idea she presented me with for the museum: "Would we like to move a couple cabinets upstairs in the living room and display some of our items, also use the built-in cabinets on the south wall?"

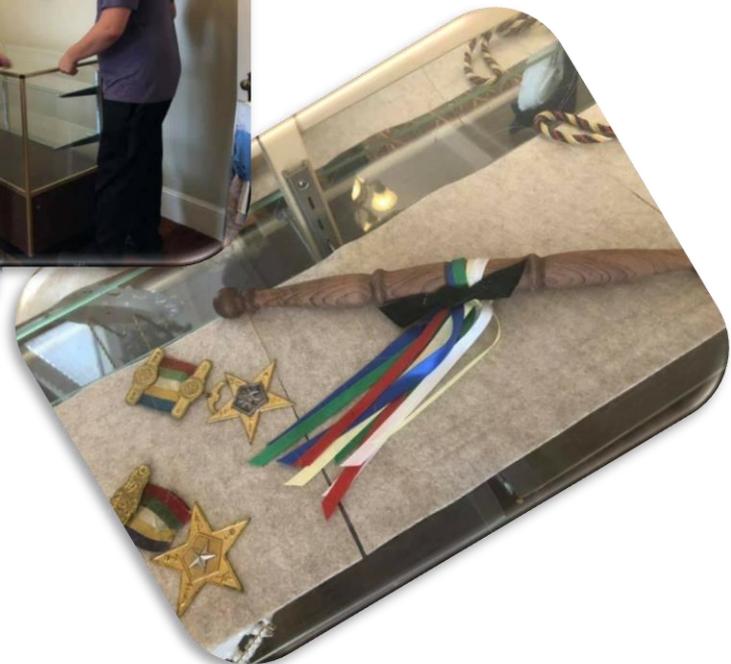

I thought it was a great idea and after visiting with our WGP Bob and the Board of Directors, I was able to start making plans.

With the help of Sister Christina Armstong's husband Bryan, who was generous with his time and donated hardware to secure the cabinets; Sister Lina Byrd who spent time and helped me clean the cabinets and picked items that would go into the display; the date was set. September 26<sup>th</sup>, 2 young men, Orion and Wyatt from Aurora

DeMolay Chapter and a Dad Advisor Curtis, showed up to move the very heavy cabinets and boxes of paraphernalia upstairs and over to the living room.

All of these volunteers were very careful by wearing masks, getting their temperatures taken and signing in and spending the absolute minimal amount of time in the facility. I couldn't have done all of this without their help.

The cabinets look fabulous with items from Chapters all over the state. This helps make the Museum more visible and someday when these crazy times are over, perhaps we can all view the display in the living room.

THE ORDER OF THE  
EASTERN STAR  
GARDEN CITY #3

**VIRTUAL  
HARVEST DINNER**

COVID restrictions did it again.  
If you would have attended our  
Annual Harvest Dinner, decked out with  
Turkey, Ham and all the trimmings,  
please consider donating \$10 to our Fundraising  
efforts.

Send your check, payable to Garden City #3 to  
Zanna Thurow, Secretary  
3209 Grenache Street  
Evans, CO 80634-8943

Thank you for your help.
