

HEART AND HOME DEGREE

Compliments of: Corely Anne Byres (Maine)

Brothers' night program to be given by the Brothers-under Good of the Order, or may be given just after the Closing. Hamburger Fry to be held after meeting at home of one of Brothers.

WORTHY PATRON:

Worthy Matron and Sisters of _____ Chapter,
In the past when Brothers were honored
Programs have been given for our delight.
We've been shaved and shorn, called "sweethearts"
And "rounded up" each Brothers' Night.

But this Brothers' Night is to be different
For we have decided to provide our own theme,
And we thought we'd tease you ladies a bit
And bring to your eyes a bit of gleam.

Brother who is charter (or older) member and a Past Patron speaks:
(may be seated in the East).

Sisters of _____ Chapter,
As a Charter Member and a Past Patron,
I can tell of incidents to raise your hair;
But goodness, the "hair-dos" in fashion now
Are really enough to give us a scare.

- "Hair-dos" have become front page news
Since and American Beauty went to Paree,
So I'll keep my stories of the past to myself
But will say you're all as beautiful as can be.

BROTHER (on sidelines):

Sisters of _____ Chapter,
Some of you are Daughters of Masons
And to your father's beliefs are true,
And no matter what color you make your hair
We admire you for your changes in hue.

BROTHER (on sidelines):

Sisters of _____ Chapter,
Some of your Sisters are Windows of Brothers
And we respect you for the life you lead;
We know that happy memories keep you gay
And fancy "hair-dos" are just what you need.

BROTHER (on sidelines):

Sisters of _____ Chapter,
Most of you Sisters are the Wife of a Brother
And to all your vows are ever true;
We know you get tired of your own cooking
And believe me Sisters-we get tired of it too!

BROTHER (on sidelines):

Sisters of _____ Chapter,
Many of you Sisters are blood Sisters of Brothers
And when you were small they teased you we know,
So when we tease you about cooking and "hair-dos"

It is just because we love you so.

BROTHER (on sidelines):

Sisters of _____ Chapter,
Many of you Sisters are also Mothers
And have trained Brothers in ways that are good.
An that famous "cooking, like Mother did"
Makes wives say things they never should.

ASSOC. PATRON:

Sisters of _____ Chapter,
Tonight we are doing the cooking
When we adjourn to the eating place;
We hope you'll like the hamburgers
And the smile of welcome on every face.

Join us in the merrymaking
As we visit, and laugh, and eat hearty,
For Sisters, you are the Heart of our Homes
And we invite you to our 'burger party.

WORTHY PATRON:

Sisters of _____ Chapter,
Our Brothers are very efficient-
We can cook and wahs dishes, you will see,
For in addition to the "Heart and Home",
We belong to the "Knife and Fork Degree".

Brothers may sing following song: (or it may be typed on slips of paper
for all to join in).

Merrily we'll drive along, drive along, drive along
Merrily we'll drive along
'Neath the dark blue sky,
Good night Sisters, good night Sisters,
See you later-at the 'burger fry.

This could be sung twice-Good night Sisters, and then Good night Brothers.
Everyone likes to sing and thi is a familiar tune.
