

A-U-2 Review

OCTOBER

2020

ANNA PETERSON, WGM

THE RHYTHM OF LIFE

BOB HARPER, WGP

HELLO EVERYONE,

Did you notice the difference when you woke up the morning of September 22nd? As you stretched, opened your eyes, threw back the covers, gave a little

yawn and made ready for a new day, the earth continued to spin on its axis as we said goodbye to summer and hello to the autumnal equinox and the sun began its journey into the southern hemisphere. I don't know about you, and maybe it was just me and wishful thinking, but I have to say I'm looking forward to the autumn, the cooler weather, a blue sky filled with white puffy clouds instead of smoke from the summer fires.

We had our first snow even before we said goodbye to summer and it reminded us that winter will soon be on its way. The weather will change from warm breezes to cold winds and once again the northern hemisphere will slumber in preparation for a new year. But before that, there's one last celebration to be had, a time of harvest and thanksgiving for the bounty that is provided to us by the grace of our Lord.

This year has definitely been filled with challenges. We've seen pestilence, fires, civil unrest and what seems like an increase in man's inhumanity to man. And as we struggled through it all, I often wondered if we would survive as a people and a nation. It seemed like that city on the hill, shining with hope and promise, was fading away like the summer sun as the days grow shorter and the nights grow longer. And you sometimes wonder if God hears our prayers for not only ourselves, but for our nation. Sometimes it is far too easy to dwell on the negative and in so doing shut our eyes, close our (continued on Page 2 – Anna)

DEAR SISTERS AND BROTHERS,

I hope you had an enjoyable and safe Labor Day, and all are well.

It's hard to believe we are about to begin the last quarter of the year and that Fall is upon us.

The daylight hours are getting shorter and a brisk chill will soon be in the morning air.

This is always a time of year when Mother Nature takes out her paintbrush and does her beautiful art work on the leaves before they fall for the winter. Hues of Gold, Red and Orange along with the constant green of the Pine trees make our high country a pageant of beautiful color. Sadly again this year we have lost more of our forest lands to wild fires. I hope you will be able to visit the high country and enjoy the colors of fall.

This also is the time of year when anticipation begins to grow as we look forward to the holidays. I'm sure it may be a little different this year as we continue to follow best practices, but I'm certain we'll find safe ways to make it work. Possibly be with family and even close friends. Depending on what the current restrictions might be at that time.

It is also the time of year when we enjoy Pumpkin Spice flavored coffee, donuts and other treats. My guess is the cooler temperatures help bring on those delicious meals the ladies make that we haven't had since last fall or winter. Homemade soups and stews, and of course the traditional holiday foods. Not to mention an array of cookies, fudge and pies for desert. All of these are a part of the signs of fall and the change of the season. I always enjoy the fall of the year.

This is the time of the year when people are busy getting homes, gardens and property ready for (continued on Page 2 – Bob)

hearts and forget to listen for that beautiful Rhythm of Life that inspires and confirms that in all things God is in control. Knowing and believing this inspires hope and courage for the future. This does not mean that we can rest on our laurels and expect God to solve all our problems. God has given us above all other creatures in His creation the ability to reason and to choose. Our founding fathers knew this when they fought for liberty, freedom and justice. They recognized that we as human beings have inalienable rights given to us by our Creator and they established these rights in perpetuity for all future generations of this country if we but have the courage and wisdom to defend and keep them.

By this time next month I hope that we have all exercised the greatest and most powerful gift that our country and our God has blessed us with. A free will choice and the power to decide our future through the exercise of our right to cast our vote for whoever we believe will best defend the liberties and freedom we enjoy and continue this great experiment known as America. We should not take this responsibility lightly, countless men and woman, citizens of our country, have fought and died to secure this right and as we honor and respect their sacrifice. We must use all of our powers of reason and wisdom to weigh and balance these choices.

Our future and the future of our children and grandchildren depend on the wisdom of our choice as well as the future of this great experiment in self-government which may forever be changed by the choices that we make.

This autumn let us stop and take the time to ponder and give thanks for the beauty that surrounds us, as the leaves change from green to gold, orange and red and God paints a landscape unmatched by any other season, let us stop and give thanks for the bounty of this country, for a political system that gives us the right to choose our own destiny and for the many blessings of liberty that have been given to us by preceding generations who have defended with their lives this great privilege.

May God continue to give us the strength, wisdom and courage to preserve, protect and defend our shining city on the hill, the United States of America.

Winter is a sketch; spring is a water color, summer an oil painting and autumn a mosaic of them all. (Stanley Horowitz)

In Faith and Love,
Anna Peterson
Worthy Grand Matron

(continued from Page 1 – Bob)

the winter months. I remember as a boy growing up in the state of New York my dad would get the storm windows from the attic and clean them and put the on over the windows for the coming winter. I don't know about now with all the climate changes, but back then we usually could get snow in mid October. For those of you who go hunting I wish you luck, but be careful and follow all the established safety rules.

I hope as we move forward through the next few months we will continue to do well in keeping the number of cases of Couvid-19 to a minimum and will be able to start holding some meetings, based on the guidance of the local authorities. Don't forget to vote either by mail or in person.

Stay safe and stay well.

Fraternally,
Bob Harper
Worthy Grand Patron

Our Chapter Reporters

COLORADO #2 – LEADVILLE

Robert Trezise, PP - Reporter

Twenty-two members of Colorado #2 gathered at the home of John and Barbara Harrington in Buena Vista in August for the annual summer picnic. Everyone enjoyed the potluck picnic and especially the visiting. All present are looking forward to the new year.

The first meeting scheduled for September 9 was not attended because of heavy snow and winter storm. Looking ahead at the second meeting, the materials for the wreath and garland sales will be distributed and possibly two petitions for dual member affiliation will be read.

Meetings are being held in the large lodge room to comply with the social distancing requirements. To minimize moving a lot of furniture after the meeting, the Blue Lodge, the York Rite and Eastern Star will all use the same altar. Colorado #2 will use chairs only for the Star points and the other floor level officers. The Blue Lodge and York Rite will follow the same protocols. The dining room has been arranged to comply with social distancing.

GARDEN CITY #3 – GREELEY

CherylAnn, WM - Reporter Protem

Garden City held their first meeting on September 22nd for the 2020-2021 Star year. The WM, CherylAnn & WP, Kent Craven (her son) will continue to honor those officers who were not honored last year due to COVID. The WM has asked the officers to each plan some kind of short program at a meeting of their choosing. She is trying to mix things up a bit this year. They plan to continue with the same theme "20/20 Future Sight" and added "the Covid Re-Run".

The Ways n Means committee is planning some exciting fundraiser events this coming year and hopefully, the Covid will have settled down so that these plans can be carried out. Look for more information in the Spring for a special night out for Valentine Couples and a Dinner Theater night.

On the 22nd, our Chapter welcomed into our fold Sharen and John Trickey. They hale from Idaho. We are excited to have put them straight to

work, as they have accepted to take the vacant offices of Adah and Chaplain due to 2 resignations.

Our Chapter is excited to finally have meetings again. As they say "Absence makes the heart grow fonder". You never how much you miss something until it is snatched away from you. We have missed seeing each other and are over joyed to finally continue our wonderful fellowship.

May God bless each of you with everything you need and a few of the things you want.

SILVER STAR #40 - MONTROSE

Suzanne Teague, PM - Reporter

Hello to one and all! It is pretty hard to write an interesting article when we are not meeting. However, we do try to stay in touch with each other and have several interesting blessings and concerns.

I would like to compliment Bob Trezise, Colorado #2, Leadville for his interesting article in last month's *4-U-2 Review*. It certainly gave us some food for thought and many of us found it quite interesting. Thanks Bob, you are a talented guy in many ways!

Just after the September issue went to press, our 54-year member, "Lucky", Lucretia Cox decided to go spend some time with her niece in Oklahoma City. Living alone when you are an "Active Senior" is pretty boring not to mention, no fun! We hear that she is playing cards and really enjoying her time in Oklahoma. We miss her of course but phone calls and card keep us in touch. This is a blessing!

WM Cindy and WP Len Wardlaw had a scare when their son-in-law had a stroke during Sunday dinner at their home. He is recovering with the help of medications but prayers for Dave would be appreciated. This is a concern!

Bill Harris received his 50 year pin last week during Delta Lodge #62's regular convocation. The Grand Master attended to present him with his pin. Bill is pretty excited and we are all very proud of him. This is a blessing!

Jack and Nadine Ward's son Jackson has been transferred to a long-term care facility and is in Palliative Care. He still needs our prayers as do his parents but the blessing is that he is still with us! Of course, with Covid restrictions in place, they must arrange to spend time with him on the patio at the facility. But at least that is possible. This is a concern & a blessing.

Lee and Suzanne Teague were able to travel to the Eastern Slope to visit their son in Longmont. On the way, they stopped to spend a few days with Mary and Tom Robyn and grandson, Eric. They also were invited to attend the Zoom meeting for Manzanita #85. Great to see friends, even if it was on the computer screen! Great job WM Shirley Buschman! And of course it was great to see son Jeff and the grandchildren! This was a blessing! The herd of Elk, including a 7-point bull, they missed on their way home was an *exciting* blessing!

Bonnie Lou Lamb's husband, Tom, is gravely ill and hospitalized here in Montrose. Their sons are taking turns coming to help their mom. There are many decisions that need to be made. Please keep them all in your prayers. This is a concern.

Lin Mussman's husband, Jerry, is about the same. The major problem is the CHF and dealing with the VA's cardiologists. More prayers please! This is a concern.

We are taking pie orders and will be happy to send you a form if you are interested. Orders are due October 16th and will be delivered in time for Thanksgiving. This is one of our Chapter Projects and it IS a blessing!

We are seriously considering an 'in-person' meeting on October 1st with masks and social distancing. The decision will be made when we get a little closer to that date and depends on the Covid numbers. But it is nice to *plan* toward meeting. If not, we may try a Zoom. Many of our members are not computer savvy so we will see what we can do. This is a blessing!

And now, we send our love to you all and hope you know that each of you make up the *real* blessings of Eastern Star.

EDITH # 61 – YAMPA

Debra Knott, PM - Reporter

"Bee Kind!" A perfect theme for last and this year that WM Barb & WP Larry Bond had chosen for their year in the East. Their motto, "Kindness is a passport that opens doors & fashions friends. It softens the heart & molds relationships that can

last a lifetime.", is what being a member of Eastern Star is all about.

This year has been a trying year for everyone. Before going dark in January of 2020, our chapter was busy with the Elementary Halloween Carnival, the Annual Yampa Craft Fair, and sponsoring a family for Christmas. Unfortunately, due to Covid, we were unable to hold our Annual Pie Sales during Yampa's 4th of July celebrations. The Annual Craft Fair has also been canceled for this year. These are our fundraising activities for the Chapter so we are going to try to be creative this coming year to raise some money. Be watching for these; if you have some ideas, please feel free to share.

While being dark, several members had knee and hip replacements; along with other procedures done. All seem to be doing well now. Our WM & WP have moved to Grand Junction, but are keeping in touch. Edith Chapter is up and running again. If you are in the area on the first and third Tuesdays of the month, please stop in. Our meetings start at 7:30. Bring a mask and join the fellowship. Our Official Visit is planned for May 8th at 1:00, so add that to your schedule. Star Love forever

SUNSHINE #53 – GRAND JUNCTION

Nancy Erickson, PM - Reporter

Emmett Palmer was appointed Grand Representative to Utah. We know he and Sandy will have a great time traveling.

Congratulations! ☐ The Grand Valley Events Center was proud to host Grand Assembly Day 2 on August 22nd and we witnessed the beautiful installation of Rainbow Assembly's own Celestyn Baker as Grand Worthy Advisor. Plus 3 of the Assembly PWAs

are Grand Officers! As the pictures from this year's Grand Assembly aren't available yet, I'm attaching

last year's picture where she was elected Grand Worthy Associate Advisor.

We lost one of our favorite members in August. Mary Leah Chavies was our organist for many years, also a Past Matron on Sunshine #53. Her sense of humor and love of music was a shining light to everyone who met her. I know she is entertaining in Heaven and having a dandy time!

Our Worthy Matron, Stephanie Thorpe has decided to change up our second year a bit. Instead of our Chapter dresses, she has suggested we dress in colors according to the month/holiday we're in. SO....I expect to see orange our next two meetings! What fun!!!!

I believe that's all for now. Have a blessed Fall and take care of each other.

EXCELSIOR #66 - LAFAYETTE

Carol Danford, PM - Reporter

The Chapter met on September 10th and handled all necessary business.

There will be a Zoom meeting on September 29th at 7 P. M. The prospective members will join us so we can get to know each other. This is a good way to connect with everyone between meetings.

Our next meeting will be on October 8th at 7:30 P.M.

On October 18th at 2 P.M., a memorial will be held for Sister Robin McCauley. It will take place in the Park in Mead, CO. This was the only place that would let us gather together. Wear a mask and bring a chair. It will be necessary to sign in and to conform to the 6 feet distancing.

Stay Safe everyone!

Additional information from Pam Jones, Secretary

Excelsior Chapter #66 will host the Memorial Ceremony for Robin McCauley on Sunday, October 18th at 2:00pm

The ceremony will be held at Ames Park in Mead. The address is 210 1st Street. Take I25 to the Mead exit (exit #245). Go left (west) at the stop sign west (this is County Road 34). Continue on County Road 34 about 3/4 of a mile and turn right on 1st Street (If you get to the stop sign you've gone too far). The park will be on your right. Bring a lawn chair, mask and wear comfortable shoes. If you are sensitive to the sun you may want to bring an umbrella. We will have guest pages and would ask

you to sign in with your name, phone number and email address (if you have one) upon entering the park. We will provide sanitizer and ask that you follow current social distancing guidelines.

MANZANITA #85 - LITTLETON

Larry Wullbrandt, PGP - Reporter

Wow, I can hardly believe it's October. Time has flown quickly by, even while we are unable to enjoy what once was considered a *normal* lifestyle. A road trip to view the fall colors is on the "must do" list!

CHAPTER HAPPENINGS – Manzanita Chapter was Constituted October 12, 1911 and is celebrating our 109th year serving the Littleton Community. HAPPY BIRTHDAY TO US!!!

The Chapter held its first virtual Zoom meeting September 10, with nineteen members and two guests, Suzanne & Lee Teague of Silver Star #40, joining in. It was great to 'see' and share the time with everyone. Our members, Mary & Warren Byrum, who live in Woodbridge, VA, joined in also. We will hold virtual Chapter meetings Sept. 24, Oct. 8, Oct. 22, & Nov. 12. We will then re-evaluate holding in-person meetings. Log-in instructions for our Zoom meetings will be sent to Chapter members on Monday or Tuesday before the scheduled meeting dates. Please join in.

CONCERNS - Linda Goodrich is dealing with multiple health challenges. I'm sure there are others who also need our prayers.

I learned this morning (9/22) that Virginia Newgent died earlier this year. Unfortunately, no details were provided. Please keep all our sisters & brothers in your thoughts & prayers.

SECRETARY'S MUSINGS – During these months of staying at home, there has been way too much time to ponder life in general. One thing that continues to haunt me is the future of our beloved Order; especially our Chapter. We currently have 126 members but only 20 or so were regularly attending meetings and keeping the wheels turning. Why is that? Before you say "I can't" be assured we've probably heard every excuse under the sun why one chooses to not attend Chapter. There are many viable reasons such as age, health, distance to travel, etc., which we recognize and appreciate. But what about the other members; those who offer no excuses or support to the Chapter beyond paying dues and possibly making Ways & Means contributions. We all had a reason for joining Eastern Star and I can confidently state no one joined just so they could pay dues! What was your reason for joining and what changed that has kept you away? Think about it and be honest with yourself. Who among you has nothing to offer that can make our Chapter stronger? Let's start a conversation; without dialog nothing can change. The Chapter, YOUR Chapter, needs your presence and we need your input! Please send your comments, ideas or gripes to: lwulbrandt@q.com

Happy Halloween – Don't eat too much candy corn.

Please stay safe, everyone!!

Th-th-th-that's all folks, 'til next month.

Dawn Chapter has not yet met, so there's really not a lot to report in this article, however, our WM Susan Franzen is extremely proud of her granddaughter, Kyra Dooley, who was recently recognized by CBS Channel 4 Denver. The article below was copied from the report on the internet by Shawn Chitnis on September 2, 2020:

DENVER (CBS4) – The FBI Denver office presented a 17 year old with an award on Wednesday for her work advocating on behalf of human trafficking victims by donating to nonprofits that provide them services. Kyra Dooley has asked for her birthday and Christmas gifts to be donations for good causes since she was nine. She chose this cause recently after learning about someone close to her who was targeted by a sex crime predator.

"I know what I'm doing is making an impact, but I didn't think it was making that big of an impact," she told CBS4 on Wednesday. "It was kind of a shock that my story had gotten to the FBI that was really crazy to me."

The FBI invited Dooley to their office after learning about the work she was doing to help victims. This year she started taking donations for Sarah's Home and Covered Colorado. Dooley shared with those gathered at the event about a family friend they learned was a victim of human trafficking.

"My main goal right now is just to spread as much awareness as possible and have that conversation with as many people as possible," she said. "Anyone can be a victim and anyone can be a target."

To encourage her on the good work she is already doing, the FBI invited members of law enforcement from various metro area agencies to speak to her about the work they do fighting human trafficking. They also asked advocates working for nonprofits to speak about their organizations.

"It's incredible to be that young voice and kind of being a mentor for those out there," said Anne Darr, an FBI Victims Specialist.

The speakers gave Dooley a better understanding of the entire process of investigating sex crimes and prosecuting suspects from start to finish. They also shared the impact their work has on victims, including the resources funded by Dooley's charity work.

"What's really impressive of Kyra's story is the age in which she is able to support this effort," said Brandon Brehm, the Human Trafficking Program Director at the Colorado Organization for Victim Assistance "The more people we have engaged, the better off we will be."

Dooley has started her senior year in high school and plans to attend college next year. While she is inspired about the possible careers in this field, she remains focused on the immediate work to helping more victims come forward and prevent someone from being targeted.

"One small act of kindness can make somebody's entire day, or change someone's entire life," she said. "I think it's really important to do that as much as possible."

(Shawn Chitnis reports weeknights for CBS4 News at 5 p.m. and 6:00 p.m.)

We have several members who have suffered from various health issues this summer, but to my knowledge, no one has been hospitalized. Like everyone, we are all anxiously awaiting the day that we can all be together (in person), without fear of becoming ill.

Enjoy the upcoming Fall, with its beautiful colors and cooler weather!

MT. ZION #133 - GOLDEN

Roberta Park, PM - Reporter

Mt. Zion held its last meeting for the 2019, 2020 term on September 9th. We had 19 present and finished with a Western flare. All annual reports were given along with several treasures' reports, minutes and notes on all our Zoom meetings. It was a great evening even with all the restrictions of Covid and wonderful to be together again.

Hello Sisters and Brothers, while some of you are meeting, Loyalty is not. The idea of meeting again will be reviewed in early October. Our Building is undergoing some renovation. Everyone in Loyalty remains well and uninfected by Covid 19. In the last newsletter that Loyalty members received we were encouraged to make a donation to the chapter, as we still have expenses. The members were generous and our secretary has received several checks, this just confirms the love that our sisters and brothers have for our Eastern Star Chapter.

We'd like you to have plenty of time to plan for your holidays and invite you and your families to place orders for pies, rolls, and cookies. Save the flyer (found on page 11) and order for your Thanksgiving and Christmas festivities. We wish you all the best for October, autumn is a beautiful time of year in Colorado, enjoy, stay well and Happy Halloween.

HERITAGE #154 - DENVER

Laura Scheirburg, PM - Reporter

It's been 53 years in the making...on Monday September 14, 2020, Heritage Chapter #154 in Denver conducted their 1,000th meeting. Thirteen members, including Sharon Petersen from Ilwaco, Washington, attended the celebration. This bitter-sweet meeting included electing and installing

Sister Karen Wilson as Associate

Conductress, balloting on a new petition, and saying goodbye to Sister Cheryl Lynn Foster-Gerton and her family who are moving to South Carolina. Congratulations

on your milestone, Heritage Chapter! We look forward to the next 1,000 meetings!

GLENN MONROE YOUTH SCHOLARSHIP

Submitted by Ellie Brooks, PM #26 - Chairman

Learning is not attained by chance,
it must be sought after with ardor and
attended to with diligence. ~Abigail Adams

Mr. Glenn E. Monroe served the Colorado Grand Chapter as Worthy Grand Patron in 1955. His counterpart as Worthy Grand Matron was Mrs. Myrtle Warburg they presided over the Sweetheart Session in 1955. Mrs. Warburg's daughter is still serving Colorado and is our own Mrs. Sonja Mast, PM.

From 1964-1967 Mr. Glenn Monroe served on the General Grand Chapter as a committee member for Education during the "Justice, Harmony, and Beauty in a World of Freedom," triennium. We are thankful for his legacy and are looking forward to keeping his legacy of education alive.

The Glenn Monroe Scholarship is open to all active masonic youth who are Colorado residents and who are graduating seniors or currently attending college. It can be used for any accredited college or licensed trade school. The Committee was pleased to receive 11 applications this year. The Glenn Monroe Youth Scholarship is open to all active Masonic Youth. We hope to receive even more applications next year.

All of our youth organizations now have protection programs in place, and it is strongly suggested to only use first names in media. We are only using first names to comply as the award cannot be presented in person at Grand Chapter, the recipients and their schools of choice are as follows:

International Order of Rainbow for Girls, Ms. Alyson attending Adams State College in Alamosa

Demolay International, Mr. Seaghan attending University of Colorado at Colorado Springs

Job's Daughters International, Ms. Emma Lynn attending University of Colorado at Colorado Springs

The applicants were all notified of the decisions via letter. We would like to thank you brothers and sisters for continuing to support the Masonic youth of Colorado and to continue to donate to the worthy cause of education. As we start to become active again, if given the chance, please help where you can and thank you for continuing support the masonic youth.

Star Regards,
Glenn Monroe Youth Committee
Ellie Brooks, chair
Joe Paseka
Kelly Baines

PS- Should anyone have any further history of the Glenn Monroe Scholarship please reach out to the committee chair, Ellie Brooks, PM.
Brooks.ej@gmail.com

If you have an article you would like to submit, this space is for you. The 4 U 2 Review would welcome articles from the chairman of any of the Grand Chapter Committees and Reporters of the Chapters we have not heard from yet.

How about an article and pictures of the activities of our Grand Representatives. We look forward to hearing from you, the members.

Perhaps, you would like to share a memory of the past, activities of the present or goals for the future of our Order.

Send your article to:

CherylAnn

asap4sure@gmail.com

subject line should read

4 U 2 Review Article

Thank you and have a good day!

BOARD OF DIRECTORS PROPOSED MEETINGS
Planned meeting dates

We are required to have meetings
at least every two months,
We will have electronic (phone or email)
meetings as needed.

Zoom Board Meetings will be held on Sunday at
1:00 P.M. as follows:

Sunday, October 25, 2020 - 1:00 pm - Annual
reports 2020.

Sunday, December 20, 2020 (may reschedule
due to Christmas week)

Sunday, February 21, 2021

Sunday, April 18, 2021

Sunday, June 27, 2021 (rescheduled - Fathers'
Day)

Sunday, August 22, 2021 - Board picnic - place to
be determined

September 2021 Board Meeting will be held at
Grand Chapter

Any changes in Board meetings will be posted. All
members are welcome to attend the Zoom
meetings. Contact information will be posted one
week prior to the meeting.

Colorado Board of Directors working together
for the future of our Order.

In this crazy world right now it's hard to imagine how
you can help Grand Chapter. Just as your Chapters
are struggling to find creative ways to raise funds
so is your Grand Chapter.

If you've attend a Grand Chapter session
you know how fun the Silent Auction has been
bidding against your Sisters and Brothers and if you
were one of the lucky ones who purchased an item,
how much you have enjoyed it.

This year in order to raise needed funds we
are doing the Silent Auction virtually. We realize
that our audience will be limited to those who have
access to the internet and email and therefore we
are asking you to invite your family and friends to
bid as well. They are also welcome to submit an
item to be auctioned. You might also consider
visiting with another member who does not have
access to technology and work with them so that
they have a chance to get great items.

Information on the bidding process will come
later but right now we **NEED YOUR SILENT
AUCTION DONATIONS!**

Please see the attached PDF file (Page 10)
for information on how you can help by getting your
donated items included in the auction.

If you have any questions please feel free to
contact me. My information is on the attached flyer.

Thanks,
Pam Jones, BoD
Chairman of the Silent Auction

Online Silent

Benefitting *YOUR* Grand Chapter!

Coming soon but we need your help right away in order for this to be successful!

We already have a few items but need more...

We waited to have the auction in November so you might consider donating some Christmas items especially ones that would be perfect for Christmas gifts. Other examples of things you can donate:

Baskets, Gift Certificates & Home-made items to name a few.

How can I help?

1. Donate an item to be auctioned.

- Take a picture of the item.
- Email the picture along with the following information to me at jonesrom2018@gmail.com:
Contact Name/Person donating the item, Phone number, Email, Item Description, Approximate Value, and Where you can deliver the item to before November 12th.

OR

Print the picture and mail it to me at 117 Falcon Circle, Mead, CO 80542 along with the following information: Contact Name/Person donating the item, Phone number, Email, Item Description, Approximate Value, and Where you can deliver the item to before November 12th.

I will contact you either by email or phone upon receipt of your picture and the information listed above. **NOTE: All donated items must be received within 1 week of the beginning of the auction in order to be included in the auction.** If you can't deliver the item to the Grand Chapter Office there will be other drop off locations around the State where you can take them before the auction begins. WGM Anna has generously offered to have her Grand Family available to receive donated items.

2. Be prepared to bid on items when the auction opens.

Bidding will begin on November 19th, 2020 and will continue until November 22nd at 7:00pm.

Together we can make this a successful fundraiser!

More detailed information on bidding on the items included in the virtual auction will come at a later time.

Please contact me with any questions

Pam Jones 720-341-5113

jonesrom2018@gmail.com

Pies, Rolls and Cookies

Everyone will need baked goods for the Holidays, why not let Loyalty #145 help

9" Apple, Pumpkin and Pecan pies \$10

1 dozen soft dinner rolls \$4

2 dozen cookies \$15
