SEPTEMBER

2021

ANNA PETERSON, WGM

THE RHYTHM OF LIFE

BOB HARPER, WGP

SISTERS AND BROTHERS,

Here we are. It feels like the past two years have been like crossing a wide ocean. We left port September of 2019 and like the characters on the old TV show, "Gilligan's

Island", what we expected and what we got were two very different things. Like the lyrics of the theme song, "it was a tale of a faithful trip which started from a tropic isle aboard a tiny ship, Then the

weather started getting rough and their tiny ship was tossed. If not for the courage of my fearless crew, the Minnow would be lost."

Like the characters on the TV show, we've experienced some pretty rough weather of our own and our organization has been tossed and if not for the courage of our faithful members our hopes and dreams might well have been lost. Unlike the TV show, we have not come to an uncharted desert island, instead we came home to a safe harbor. I might be a little paranoid, but I won't rest well until I bang that gavel to open our Rhythm of Life Grand Chapter Session.

As I sit at my computer crafting what is my last article as Worthy Grand Matron for the 4-U-2-Review it is with mixed emotion that I look forward to the end of my service as your Worthy Grand Matron. On one hand I'm looking forward to our

(con't Page 2 Anna)

DEAR SISTERS & BROTHERS,

It is hard to believe we are entering the later part of summer and yet it is still very hot. I prefer having the temperature in the mid 70's and not the 90's. In just a few weeks we will be having our Grand Chapter Session. It has been a long time in coming, but it will be happening before we know it. I hope all of you have made your reservations for the hotel and the banquets. We are looking forward to seeing all of you.

This is an exciting time with all the Chapters holding installation of their recently elected officers. Making plans for the coming year and scheduling meetings. Getting back to a more regular schedule of events. I hope we don't ever have to have another 2 year, or 24 month term again. We don't need any more crisis or pandemics. We can take pride in the way we did what was right, followed the rules and took care of ourselves and families, and Sisters and Brothers.

It is encouraging to see all the School Buses driving around and see the children back at school. My older grand children have already departed for college.

The exciting prospect of looking towards being able to once again do the activities in the fall that we had enjoyed and certainly Thanksgiving and Christmas Holidays. Being able to once again

(con't Page 2 Bob)

upcoming Grand Session and to be able to greet everyone and experience the excitement of the social events and the initiation of new members into our Order. On the other hand I'm looking forward to getting back to my garden, reading a good book and the daily chores that I never thought I would miss.

I cannot help but to think about the times when my sisters and brothers helped me navigate the challenges and storms of these past two years. The love and support for each other, I hope will never

change as the years

go by. I know it may

sound a little strange, but when

our boys were young and we

would go on one of

Ed's epic road trips, I was always

glad to come home

but, I still missed the

excitement of the journey. These last couple of years have been kind of like those road trips, lots of beautiful scenery, punctuated by fatigue and long empty highways that sometimes seemed like they would never end.

Now this journey is rapidly coming to an end and as time goes by, I'm sure that all the beautiful

memories, like the beautiful scenery,

will always remain with me and the challenging times like the empty lonely roads will disappear from my memory. That's just how things work.

It is my sincere prayer that I have lived up to the duties and responsibilities required of me as your Worthy Grand Matron, and with God's help I firmly believe that I have given the best that I am capable of. Life has a way of bringing out the best that is in us through the challenges we may face. And with all the love and support I have received from all of you these past two years, I truly think that I am a better person today than I was when I started this journey.

Oh well, enough of this serious talk. Let's focus on meeting on September 23rd for the Rhythm of Life

Grand Chapter Session. Let's renew cherished friendships, make new ones and have fun so that when the Session comes to a close and as we fold our sails, drop anchor and disembark, we can do so with joy and the knowledge that we all have done the best we could for each other and our Order and say with pride, that we have lived up to the principals exemplified in the teachings of our beautiful Order.

And now we wish a safe journey, calm seas and fair winds to the "Musical Journey" Grand Family as they follow the Star and another OES year begins.

Reality check: Only 23 days until Grand Chapter.

As always in Faith and Love,

Anna Peterson, WGM

(con't Bob)

celebrate with friends and family as we had done before. Several pleasant things to look forward to.

I just realized this will be my last article as your Worthy Grand Patron. I want to thank Worthy Grand Matron Anna, for allowing me to share this once in a lifetime experience with you and Brother Ed, for your friendship and advice. To all our Sisters and Brothers I thank you for the honor you bestowed upon me and your faith, and trust. I thank you from the bottom of my heart for the encouragement, advice and fraternal love and support you have given to me and Tish.

To the Rhythm of Life Grand Family you are the best there is. No one could ask for more. Always ready to step in and help. Taking care of and assisting each other. Just like the family we have become, and will remain. I look forward to our sharing many good times together in the future.

To Tish, there are not enough words to express my gratitude for all of your love, support and advice. Being constantly there. Thank you so much. I love you.

To my Sisters and Brothers, Be safe, be healthy, and look ahead to better days to come.

Fraternallly,

Bob Harper, WGP

CHAPTER NEWS REEL

COLORADO #2 - LEADVILLE

Robert Trezise, PP - Reporter

A sizable group of Colorado 2 members met in Buena Vista at the Many Blessings park to enjoy the annual summer picnic. Many Blessings uses miniature horses to develop therapy for Downs Syndrome and other nerve afflictions. They also give programs and presentations in schools, libraries and other such facilities. Sister Judy Epperson is one of the hard workers and Many Blessings is one of Colorado 2's preferred charities.

Worthy Matron-elect, Pat McCollum, outlined plans for the year's activities beginning with Official Visit on October 2. There will be lots of stars in Pat's and George's year.

Brother Bob Trezise and Sister Myrna Salberg attended and participated in all four Schools of Instruction. They are anticipating a rewarding year of Official Visits with Brother Bob's duties as Grand Organist. Sister Myrna's duties as Escort, "is to carry Bob's music" (a 5 x 8" card). Hahaha

Installation of the 2022 Officers will be at the first regular meeting, September 14th.

GARDEN CITY #3 - GREELEY

CherylAnn Craven-Lindblad, PGM - Reporter

Our 2021-2022 Chapter Officers gathered together to see what exciting plans Sister Vic Czapenski, Worthy Matron-Elect and Brother Gary Lindblad, Worthy Patron-Elect have in store for the ensuing year.

We have already held 2 practices with our District Lecturer, Sister Jill Quedenfeld. She has given us a new perspective on several things that we normally take for granted. We look forward to additional practices, as we can always learn new things or remember things we have forgotten.

Our Ways N Means committee was honored to cook and serve a luncheon for Metro #157 a couple of weeks ago for their Summer Picnic/Birthday

Celebration. We had a lot of fun and it was nice to visit with members of another Chapter that is not in our Golden Gleaner area.

Our current Worthy Matron and Worthy Patron, Sister CherylAnn and Brother Kent have one meeting left and are anxiously waiting, after 2 years, to pass the gavel of authority to Vic and Gary. We wish them the best of luck and much success as they take us into another year of history.

PUEBLO #7 - PUEBLO

Joanie Briggs, PM - Reporter

Helloooo to our Sisters and Brothers from heated and sun blistering southern Colorado! Summer came in like a lamb (?) with lots of rain and cooler temps than normal, then shifted into high gear with high temps and lots of smoke and will be going out like a lion – yikes! For those of you that adore the heat, this should be a wonderful time.

On June 12, we were finally able to award 50-year honors to Don Marshall at his new assisted living facility in Pueblo. WM Mary Beth Messer, WP Joe Paseka, AM Laurie Ward, DL Bridgette Paseka, Secty

Joan Briggs and a few guests

gathered in a family dining room with Don to celebrate with cake. It was really

great to see him after a long absence due to health issues and COVID restrictions. We were able to work on transportation to get him back to attending meetings...and he was able to attend our final meeting in June.

Congratulations to Don Marshall for 50 years of dedication and service to The Order of the Eastern Star, and his Masonic family.

Chapter 7 was dark for July & August, which gave us time to re-organize & get ready for the festivities of the upcoming year and new line of officers. The final meeting for WM Mary Beth and WP Joe will be held on Tues, 9/14/21, and will start at **7pm instead of 7:30pm for this night only**. We will be having "**2-fer**" that night: 1. Year-end reports and a special election for treasurer; 2. Ending the night with installation of officers for the ensuing year during a closed installation. All members are invited to attend! Refreshments will be served after the work is done 😊

Please consider this as an open invitation to all OES members – we would LOVE to host you at our meetings and events! Our meetings are 2nd & 4th Tuesdays at 7:30pm, 126 Broadway, Pueblo, CO – Pueblo Masonic Center.

Star love to ALL!

COLLINS #26 – FT. COLLINS
Lydia Shelley, PM - Reporter

Summer is quickly going by. The Sun is setting sooner. World events are starting to have an impact on us again. Some of us are looking forward to cool evenings and fall colors.

Collins #26 is pleased to announce the initiation of our new sister, Letisha Unruh. We held an extra meeting on July 13 to welcome her into our chapter.

Many of our members came to welcome her in style and we had a very wonderful Initiation Ceremony.

Our Chapter would also like to put forth a warm welcome to Barbara Johnson, PGM, into our numbers here at Collins #26. Her participation in our chapter work will be a great addition.

We are also going to be having a Picnic on Saturday, August 21, for the new crew taking office in September. Colette Wardin, "WM elect" will be introducing her appointed officers and giving us the particulars of her year, along with Jim Oldson, PGP, "WP elect".

Sharon Holmes, retiring WM, should be commended for managing a very challenging two years in the East. I personally appreciate all the struggles she has had to manage along with a worldwide pandemic and all its restrictions. Bravo my friend and Star Sister. I look forward to having you in Past Matrons Club.

SILVER STAR #40 - MONTROSE
Suzanne Teague, PM - Reporter

We are so excited for our Grand Chapter session to begin later this month! It has been a long journey and we miss seeing everyone so much. Hope you are all planning to attend.

Back home in Montrose, we look forward to our Closed Installation of Officers following our September 2nd meeting. Before the meeting, we will share our "Welcome Back" potluck beginning at 6 pm. A brief meeting will begin at 7:30 pm followed by our Installation. Sister Cindy Wardlaw, PGM and her special escort, Brother Len Wardlaw will be installed into the East and a full slate of officers will join them.

We will have a brief instruction for several of our newest members before installation so that they don't feel totally lost and then a mini--school of instruction for all officers by our DL, Suzanne Teague at our September 16th meeting. Prior to that meeting, we will all enjoy an Ice Cream Social!

We are happy to report that several of our members with health issues are on the mend! Mary Melton has been very pleased with her neck/back surgery and may even be released to

go back to work. In the meantime, her daughter, Amber Holley is helping to care for her folks as recovery is a slow process. Please keep them all in your prayers.

Lucky Cox is also enjoying some therapy and relief for her weeping legs. However, she is still in the nursing home and will be for a while. Cards of encouragement can be sent to her at: 2138 County Street 2800, Chickasha, OK 73018. She misses us all and would love to hear from friends around the state.

Lee Casto is still in Valley Manor Nursing Home undergoing therapy. Nita is so anxious for him to come back to *Montage Assisted Living* with her. She is able to ride the bus to see him frequently, but it isn't quite the same as having him "home"!

Carlene Dougan has fallen several times. The latest fall required stitches (staples) in her head and a stay in the hospital. She is trying to stay upright but her feet get tangled and down she goes. Keep her in your prayers as well.

Cindy Wardlaw, PGM is experiencing some health issues requiring medication that she is mildly allergic to. It also had adverse side-affects. Being the trooper that she is, she carries on. She too could use an extra prayer.

Pat Aspenwall's sister, Pam, is in ICU, Presbyterian in Denver. It is very serious and many prayers would be appreciated.

Some good news! Nate Hoey, grandson of AGP Keith and Shelley Hoey was invited to participate in the PBR (Professional Bull Riders), the BIG boys ride, in Sacramento, CA on August 6th. This event was broadcast live on CBS Sports Network! He failed to 'cover' but was praised highly by the announcers. (I'm telling you, those are some big, bad bulls!) You have to be INVITED to ride in this event! He is 107th in the WORLD standings in PBR (Pro Rodeo Association) and 1ST in the Colorado PRA.

A call from Delphine Mead in Monte Vista let us know that, at almost 100, she is doing well and attended Carolyn David's retirement party. She had lived in Alamosa most of her life and moved to the nursing home Carolyn managed early last year. So great to hear her voice and learn how well she is doing. She says she walks around the building twice

each day! You go Girl! Her 100th birthday is December 7th.

We are looking forward to celebrating with PGM Rodney Johnson and his wife Rosalie, their 50th wedding anniversary on September 4th at the Masonic Hall in Montrose. All are welcome to attend from 2-4 pm or send a cards to 1011 Highland Street, Montrose, CO 81401. *Congratulations Kids!*

SUNSHINE #53 – GRAND JUNCTION

Nancy Eriksen, PM - Reporter

September, Sisters and Brothers! My apologies for completely forgetting to send in an article for August. I'd blame it on the dog but we know that's not true!

Things at Sunshine #53 are in the "calm before the storm" phase. We are having Stephanie and Emmett's last meeting on September 7. Come help us send them off after an very unplanned two year term! That coming Sunday, we will install Sharon Parrish and Harry Clark as our WM and WP at 2:00 pm. This will be a fun day, with some surprises, and THEN onto Grand Chapter the week of Sept 22-26.

We will be electing Sister Niccole Gray as Conductress on the 7th. We are so glad she agreed to this position and know she will do an amazing job!

During the "A Musical Journey" Grand Officer practice and DL School of Instruction, Sharon and I took off for a bit to visit Sunshine's adopted resident of the Home. Hillary Lew is an English lady who worked in homecare while living in Pennsylvania. She is a quilter and **loves** shortbread, which we will be bringing her in September along with other "things".

We are so glad that everyone has survived the heat, rain, road problems, etc. It is so nice to see everyone and to know we are all kept safe! See you all at Grand Chapter if not before!

MAKE IT A SEPTEMBER TO REMEMBER!

EXCELSIOR #66 - LAFAYETTE*Carol Danford, PM - Reporter*

Excelsior #66 had a quiet July and August this year. The highlight of the summer was our Annual Picnic which was held on August 7th in Frederick. The park was lovely and we had plenty of room. The weather did not co-operate this year. Smoke was heavy and the wind did us in! Holding on to our plates took some doing! Those in attendance had a good visit but we broke up early because of the wind.

Our Installation will be on Sunday, September 19th at 2 P.M. It will be held at the Masonic Hall, 630 W. Oak Street in Lafayette.

Come one, Come all!

We are all looking forward to Grand Chapter this year. It's been too long since we have had the opportunity at see everyone from all around the State! See you there!

MANZANITA #85 - LITTLETON*Larry Wullbrandt, PGP - Reporter*

Worthy Matron- Elect Jane Wullbrandt, PGM & Worthy Patron- Elect Herb Carr, PP, cordially invite you to attend the Installation of our 2021-2022 officers September 9, which is our stated meeting.

We open at 7:30 PM. Please join us!

We are happily anticipating welcoming a new member, Michelle Danielsen, who will be initiated at Grand Chapter.

August has been busy with practices under the capable tutelage of our DL Sara Hady. Does it seem to you, that as we age, it's harder to memorize the ritual work?

It will be great to attend Grand Chapter and share a hug or handshake with our sisters and brothers. It's been too long since we've had the opportunity to be together.

Enjoy what's left of summer! Don't forget to get your snow shovel ready for action.

Be safe & take care of each other.

-th-th-that's all folks, 'til next month.

I can't say much about Hope Chapter as when we had our June meeting I was still under quarantine so I didn't go. Heard it was a usual meeting, lots of things discussed but I am not sure what as the minutes didn't say much. They did read 3 petitions so I am told and they will be Plural Members so that will be nice. We are going to have a new member and she will be initiated at Grand Chapter and so glad we have a Grand Martha so she can meet her and tell her about Martha. How exciting.

Today I was thinking about Star and things are so different than when I first started 45 years ago. We started in 1976 in Lakewood and our initiation was so nice, I had a long dress on for the first time and we joined only because Don was Assemble Dad for the Rainbow girls and I couldn't go to the meetings. We decided we would join and just go now and then to Star. Boy were we wrong!!!! Don was Sentinel the very next year and I was Warder and I was so scared that my knees knocked louder than the raps on the door. We did have a fun year and I learned a lot and the dresses we wore were so pretty as the Worthy Matron found them and we all bought them and they were all alike and the chapter room looked so elegant. I was so proud of us and worked hard to do my work correct. At that time we had Area Supervisors and District Instructors and I was so impress the way they worked with us to get us to do thing and we had practices and they were there always helping us. We all looked forward to our meeting and we met the first and third Wednesday and ya know that was on the calendar and that was first. We didn't do anything on those days as they were Star days, we never did something else and put Star on the back list. It was the first list and all else did not interfere with us going to Chapter. Seems like now if something else comes up they do that instead of saying I have Star tonight we'll do whatever some other time. Our Officers were always in their places and we would have a lot of sideliners. I remember the first OV we went to their was so many people we had to bring in chair for people to sit in and Lakewood Chapter was a large building. It was great having so many at the OV now not many come and don't know why? Of course if I think about it so many of our friend have passed away and that is sad because they loved Star so much. Sad to see the Chapters closing but it is hard keeping things going when people don't come and we don't have sideliner. Sad!!

When we first started the Officers all wore dresses alike and they were ½ inch off the floor but that has gone away and that is too bad I think. Don and I really like Star and when we lived in Lakewood, we went to a meeting every night and Don had his Tux on and me in a long dress and we really looked sharp I think. Don worked had at Lakewood chapter and when we came to Hope Chapter he never stopped. He is missed at Hope and We have a time getting things repaired. But Life Goes on and Guess we will meet the challenges of the year and do what we think is best. So glad I am over Covid and feel great but I tire fast and have to rest a bit in the afternoons. Dr. had released me and said I can do what I want but good idea to wear a mask, so when you see me I will have a mask on and doing what is best for me. Take care and see ya at Grand Chapter, can't wait to see everyone.

RISER SETUP AND TEARDOWN

Volunteers Neede

As with any convention large or small, a lot of preparation is needed. Our Grand Chapter Session is no different. You know those wonderful risers you sit on during the meetings?? Well they need to be assembled. The risers are an essential tool that allows our members the opportunity to view the floor work, enjoy the marches and view the Grand East without peaking between the two people in front of you IF we were sitting on the level on the floor. Our membership is aging and so therefore, we ask that some of our younger members assist in this process. Of course, all help is welcome. Set up will begin at 6:00 am on Tuesday September 21 with the unloading of all the necessary equipment and paraphernalia. Riser set up training will begin at 7:30 am. If we can secure enough help, we could be done in a couple of hours. If you can help, please contact CherylAnn @ 970-396-3364 (text or call) or by email asap4sure@hotmail.com
