Workshop Descriptions: Each session has been designed to introduce fun and novel ways to improve our chapters and our relationships with each other. We guarantee you will take away elements of value and a new outlook on what is possible for our future! If you have never attended Grand Chapter, come give it a try. Be a part of helping us to improve our membership experience as we explore new ways to provide you with “valuable opportunities”. These sessions are open to all registered Grand Chapter Attendees.

B.R.I.C.K. Building Relationships in Chapter with Kindness

SHAPES

This fun activity is designed to get you thinking about how different we are – and yet, so similar. It’s important to understand that you approach things with a style and perspective that varies from others. Understanding and appreciating the strengths within those differences allow you to become a better member, a better friend, a better worker, and more successful in everything you do.

You will take home tools to improve communication in your chapter. These tools will help your members face new challenges together, stronger, and as a respectful, unified team.

SHAPES SESSION A:

- Learn about the different SHAPES
- Identify with a “SHAPE”
- Meet with those who also identify with your SHAPE
- Discuss and Confirm:
 - What makes me identify with this SHAPE?

- What is positive and what is a bit more negative with our SHAPE style?

- Choose Your Attitude
- Be Present

SHAPES SESSION B:

- Briefly review the various SHAPES
- Meet with those who identify with your SHAPE
- Discuss and Present:
 - What do we want others to know about us – our SHAPE
 - How can we improve on some of our weaker communication attributes?
 - What can we share with other SHAPES so that we can work better with them?
- Participate in a scenario representing your SHAPE

FISH PHILOSOPHY

- Imagine a chapter where everyone chooses to bring *energy, passion, and a positive attitude* with them!
- Imagine a chapter where your members are actually connected to each other, to the chapter, and to the goals of the chapter/Order.

Be part of the movement in your chapter to ensure a healthy culture of trust, teamwork, and members being valued. It’s time to bring a playful state of mind to your chapter and release the energy and enthusiasm each of us feels. When everyone takes responsibility for the attitudes they choose, your members will spend less time on unproductive behaviors and spend more time working for a common goal.

Help make your chapter a place where your members WANT to be and feel good about inviting others to join in. Improve the engagement of your members at chapter. The FISH Philosophy inspires and empowers your members to bring all their talents, gifts, and enthusiasm to chapter. Improve teamwork and trust by opening conversations and treating each other like true brothers and sisters.

FISH SESSION A:

- Watch the video
- Learn about the FISH Philosophy
- Learn the four basic FISH principles
 - Make Their Day
 - Play

B.R.I.C.K Presenters: PGP JD Hammett, GGCCM Bylaws-PGM Collette Gole, Delma Davis PG Adah & Deborah Winn PG Martha all of the Grand Chapter of California

MARKETING: Has your chapter been stuck in a rut for several years concerning membership or fund raisers? Come and learn innovative ways to introduce your members and chapter to the public. Respecting our traditions, we need to be progressive and learn new ways to introduce our selves to the general public and how we are perceived. Please join **Sister Sabrina & Serina Pack Georgetown #4**, she has a fabulous presentation, that will open new doors for your chapter and our future.

PUBLIC SAFETY AWARENESS: Would you like to learn some skills that will help you put into practice higher levels of safety when you’re out and about or at home? We can all use additional skills to increase our awareness in our surroundings no matter where we are or who were with. **Brother Chad Paavola Georgetown #4** is an expert in this field and has provided safety training for many people through his employment. You will be surprised at some of the simple things that will increase your “surroundings” awareness.

PARLAMENTARY PROCEDURE: Are you going to be a first time Worthy Matron or Worthy Patron, or are you going back to the East for the “umpteenth time”? Would you like to improve your skill as the presiding officer? Would you just like to be better informed of meeting procedures? Then this is for you. **Deputy Grand Master of the Grand Lodge of NM, Brother Adam Hathaway** has a great program for you!

Basic Computer: Sister **Terry Roberts Los Alamos #63** is bringing her fabulous computer school room to Grand Chapter. You will be able to have a hands-on experience learning basic navigation, and web sites that have free software to download. Do you want to move to a little higher level of “computer knowledge”? If you are a Secretary or Treasurer, or would just like to learn more about computers (Secretaries are always looking for members to be their backup), this is for you.
