CLOSING

(WM & WP walk from East to Altar)

WM: From the East to the Altar we wend our way,  
With a prayer on our lips as we close the day.  
As we leave this temple may we keep in mind,  
If we earnestly search we shall surely find,  
Hidden deep in the heart and soul of each one  
There lives a record of work well done.

(AM & AP walk from West to Altar)

AM: We come from the West with a wish sincere,  
That we work in harmony throughout the year.  
With the kindest thought, we say Goodnight,  
May His star in the East ever guide us right.

(C walks to Altar)

C: From the South I come with my wishes fine  
And a friendly Goodnight to these friends of mine.  
May we strive to keep each sacred vow  
While we in sheer humility bow.

(AC walks to Altar)

AC: I come from the North with my wishes true  
And I say Goodnight to each of you.  
May we feel the presence of Gods power  
As we clasp our hands in this closing hour.

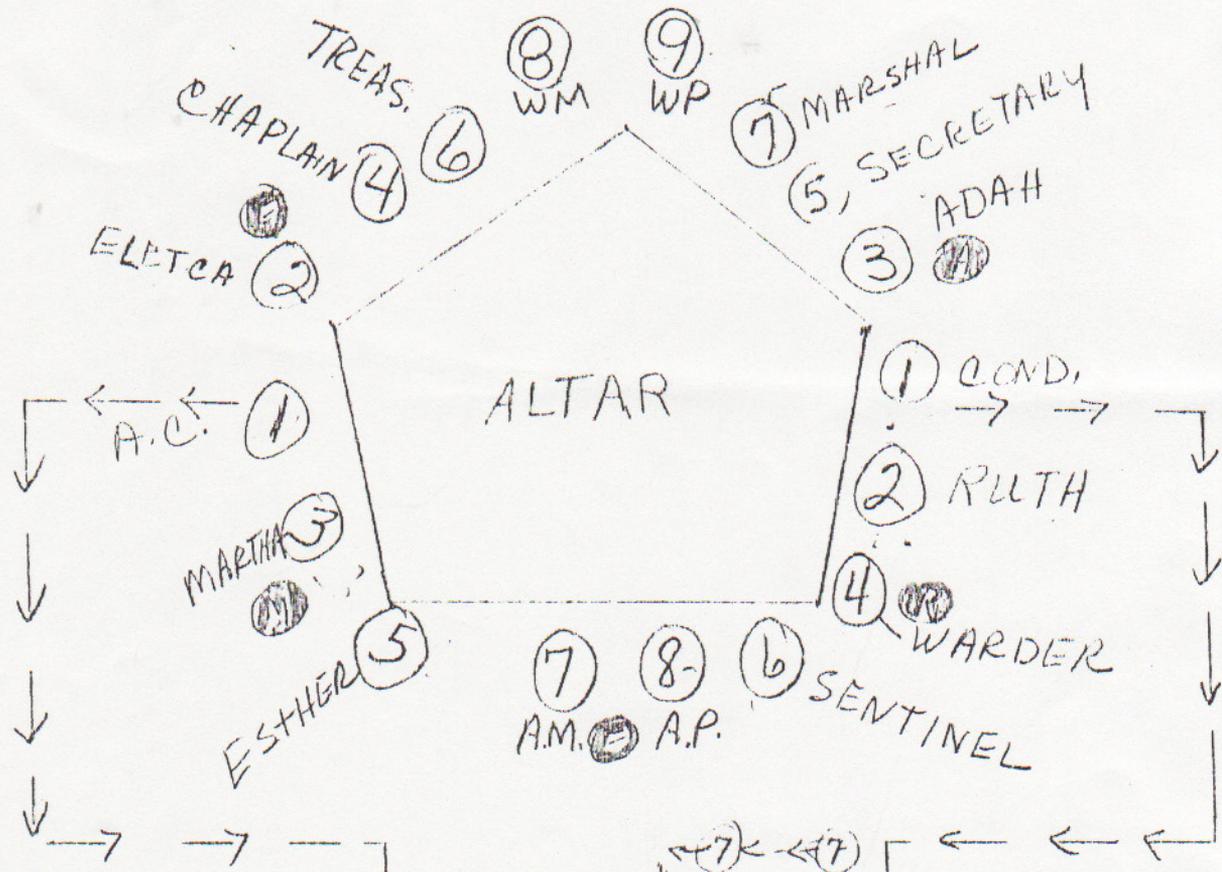

(All officers move into circle & join hands around Altar)

WP: The messages brought from the East and West  
From the North and the South, by his hands are blest.  
Our earnest prayer is that all shall receive  
His richest blessings tonight as we leave.
