## PORSCHE FOR SALE

A man was reading the paper when an ad caught his eye. It loudly announced, "\$500 Porsche! New!" The man thought that it was very unusual to sell a Porsche for \$500, and he thought it might be a joke, but he said to himself, 'it's worth a shot.'

So he went to the lady's house who was selling the Porsche and she led him into the garage. Sure enough, there was an almost brand new Porsche.

"Wow!" the man said, "Can I take it for a test drive?"

"Sure," answered the lady. Unlike what he expected, the man found that the car ran perfectly.

When he got back to the lady's house, he asked her, "Why are you selling me this great Porsche for only \$500?"

Then the lady replied with a laugh, "My husband just ran off with his secretary, and he told me, 'You can have the house and the

furniture, just sell my Porsche and send me the money.' "
