"PORTRAITS OF LIFE"

A Star Point Ceremony for Installation

Beauty is all around us, in every season, in every corner of this earth. It is a panorama of colour and splendour for us to enjoy, just as we would a beautiful painting or a portrait.

Whittier wrote - "Beauty seen is never lost." So let each of us through our own lives share in creating a beautiful Portrait of life.

Sister Adah - Paint into Life's Portrait the tones of heavenly blue, Fidelity that reminds us to obey the vows we have assumed, and to fulfill our responsibilities to God, to our country, to our Order and to each other.

Sister Ruth - Life's Portrait is enriched by your golden strokes of constancy, teaching dedication to duty and concern for one another.

Sister Esther - On the canvas of Life's Portrait, add the quality of Loyalty, a willingness to stand up and be counted for a just cause.

Sister Martha - Life's Portrait needs the vibrant green of Faith, faith in God, and in life after death; faith in the principles of our Order, and a firm hope for the future.

Sister Electa - From your palette come vibrant hues of red for Love and Courage to

strengthen Life's Portrait, reminding us all to share in the service of Truth.

Worthy Patron - Our Portrait of Life is not complete without your firm hand for guidance and protection, and your gentle understanding of the needs of our members.

Worthy Matron - Add your special touches of good judgment, wisdom in decisions and integrity in all your actions, and you will find this Portrait of Life is surely one of beauty.

"Beauty is God's handwriting."

Let each of us add the stroke of our brush to glorify this Portrait of Life for all to enjoy.
