(A simple appreciation of chapter and substitute officers.)

Sister.....:

Your Corps of officers during the past year would be very ungrateful if they did not express in some way their appreciation of your fine leadership.

On no occasion have we found it necessary to apologize for our Worthy Matron but on all occasions, especially when visiting or entertaining another chapter, we have been proud of you and of your gracious manner.

Your year has been a successful one in every respect and you have always held high the standards of.....Chapter.

We hope that your memories of the past year  
and of this night may always bring you pleasure.

"May God's hand guard you tenderly whate'er betide  
His light within your soul to be your daily guide,  
His benediction fair to rest upon your life  
His joy so full, his peace so blest to calm all strife.  
His love so tender and so true to bless your way.  
This is our prayer for you along Life's way."

In behalf of the officers and substitutes I consider it a great honor, privilege and pleasure to present these flowers as a token of our love and respect for you.

Presents flowers.
