Subject: [OESStar] Ode to Our Organists

You sit alone in that lonely place
 Showing us how to set the pace.

You play our anthems, our hymns, our songs
 Knowing by heart where each belongs,

Listen to you is such a thrill
 Equal to the birds on my window sill

Without your talent it would be dreary
 I really must say you make things cheery

There are no words to thank you enough
 Without your music floor work would be tough

So we honor you with words of praise
 May God bless you all of your days....
