Group C No. 38. Retiring Patron's Thanks.

I want to express my thanks to the members of this Chapter for their kindness during my year of service as your Worthy Patron. I consider it a great honor to have served in this capacity, and the year for me has been a most pleasant one. I think it is a wonderful thing that you, as members of the Eastern Star, have opened your doors to the Masonic brothers for I feel that we have been greatly benefited by the work you are doing, and I feel proud that I have had a small part in this work. For the pleasant associations, and the kind expression of friendship which I have enjoyed with you, I am very grateful. I shall always feel that my life has been made better and happier for my service as Worthy Patron, and I thank you for the honor conferred upon me by my election to this office. I am sure that the past year will bring me many happy memories during the years which are to come.
