

---INSTALLING MARSHAL'S WORK---

- Sister ADAH: I bring to you these flowers of BLUE  
Like the cloudless skies above  
They tell the story of ADAH  
And teach us FIDELITY and LOVE.
- Sister RUTH: To you I bring these YELLOW mums  
The tint of ripening grain  
They tell of RUTH the GLEANER  
From Boaz' broad domain.
- Sister ESTHER: I bring you flowers of purest WHITE  
Like the rays of the sun's morning light  
To tell of HEROIC QUEEN ESTHER  
And the triumph of JUSTICE and RIGHT.
- Sister MARTHA: To you I bring a LAUREL SPRAY  
An emblem of NATURES GREEN  
It tells of the LOVE of JESUS  
And MARTHA'S FAITH SUPREME.
- Sister ELECTA: I bring to you these crimson flowers  
They speak with FERVENCY and ZEAL  
That we LOVE one ANOTHER always  
As Electa's Lesson Reveals.

TO THE STAR OFFICERS

To you dear sisters of our Central Star  
Send forth your brilliance near and far  
In the beautiful lessons assigned to you  
That others may learn of our fine work too.

Our Glorious colors of RED, WHITE and BLUE  
Tell of LOVE, LOYALTY and PATRIOTISM true  
While the Constancy of our GOLDEN HUE  
Gives the FAITH of MARTHA to carry us thru.

TO THE WORTHY MATRON

God needed a Shepherd, His lambs to lead  
To help the afflicted and assist those in need  
So He gave you a heart with love divine  
To lead the members of this CHAPTER so fine.

Within this little basket is a mixed bouquet  
Of each of the flowers in our floral spray  
May they remind you of the stories here told  
Which our CENTRAL STAR will always unfold.

TO THE WORTHY PATRON

You are the link 'twixt the Mason's vow  
And the lighter bond of sisterhood  
With your kind heart and Wisdom too  
You'll ever seek the Chapter's good  
Thus shall nothing ever mar  
The harmony of our EASTERN STAR.

Accept this rose (or Holy Bible) as a reminder of  
your pledge of Loyalty to our Beloved Order.
