

OUR CHAPTER ABOVE

(Tune "The Old Rugged Cross")

There's a Chapter above  
Where the password is love,  
And our Lord is the patron supreme.  
There the angels afar,  
Are the points of the star;  
With their blue, yellow, white,  
red and green.

CHORUS

Now the star in the East brightly shines,  
Like the face of our Christ and His love  
Let us look to the East while on Earth,  
Then pass to the chapter above.

May our friendships be true,  
As the Heaven is blue  
And our thoughts be as pure as the dove;  
By the clasp of the hand,  
May we each understand,  
It's a token of sisterly love.

CHORUS

Now the star in the East brightly shines,  
Like the face of our Christ and His love  
Let us look to the East while on Earth,  
Then pass to the chapter above.

LOVE MAKES THE WORLD GO ROUND

Rays from our Eastern Star  
Shine brightly ~~down~~ through the years  
Joining our hearts in friendship,  
Laughter, and joy and tears.

Binding our hearts with love  
Brothers and sisters, we.  
We're a fraternal family  
Bound by our unity.

Love makes the world go round  
No matter where we are.  
Love will shine through our Chapter  
Love from our Eastern Star.

MAY THE GOOD LORD BLESS AND KEEP YOU

May the good Lord bless and keep you,  
whether near or far away.  
May you find that long awaited golden day today.  
May your troubles all be small ones, and your  
fortune 10 times 10.  
May the good Lord bless and keep you till we  
meet again.  
May you walk with sunlight shining, And a  
bluebird in ev'ry tree,  
May there be a silver lining back of ev'ry  
cloud you see.  
Fill your dreams with sweet tomrorrows,  
Never mind what might have been.  
May the good Lord bless and keep you till we  
meet again,  
May the good Lord bless and keep you till we  
meet again.
