

Sisters and Brothers

The Membership Committee wants to hear your Chapter's ideas to grow membership, and membership success stories.

We will gather these ideas and stories to share with our Eastern Star Family and include some in the 4U2 Review newsletter.

Please have one of your members collect and submit your Chapter's input before November 30 so we can act before the end of the year.

Send to: boduncan1@hotmail.com

Thank you for all you do to grow and share Eastern Star!
